

LUGGAGE FAQ'S

What can I bring on my flight?

The Lear 60 has limited cargo space that depends on how many passengers and bags there are. Typically, carry on or small bags fit best. Large commercial luggage over 40 lbs. may not fit when the cabin is full.

WHAT YOU CAN BRING:

- Small/Medium Carry on sized bags less than 40 lbs.
- Soft-sided luggage
- Small sports equipment (1-2 golf bags are permitted)

WHAT TO AVOID:

- Large hard sided suitcases
- Oversized or bulky items
- Excessively heavy cargo (Winter sports equipment, bikes)

It's best to reach to our concierge team to help determine what can fit for your trip. We also offer Ship & Go as an alternative baggage delivery service.
